

DORIS DAY

August 11, 2010

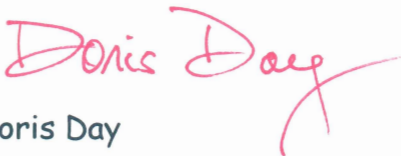

Dear Friends,

I want all of you to know that more than anything, I would like to be there and meet all of the doggies who are going to be coming to the park and watch them run and play in complete freedom and safety. And isn't it going to be nice that they'll have a shelter to get out of the sun. We don't want them to get overheated, and I don't want you folks getting hot either.

If I have a chance to be in L.A. again, the first thing I would do is go to the park and give each doggie a big kiss. My hope is that all of you nice folks who take such good care of your pets will enjoy this park.

I'm thrilled that I am able to help with the Laurel Canyon Park Shade Pavilion. Nothing makes me happier than giving to the doggies and all animals.

Hugs and kisses to all of your babies with my love,
